Description

Artbidy Auction House is pleased to present you with the next auction of autumn and the first auction of early art this year. We have prepared almost 40 works for you in the catalogue, among which you will find paintings, works on paper and prints. We have assembled an 18th-century portrait of Horatio Nelson by Józef Kosiński, a depiction of Our Lady of Sorrows by Józef Simmler or a portrait of Charles Reginald Young by Stefan Norblin. Furthermore, we also recommend your attention to the landscapes by Włodzimierz Terlikowski, Jean Peske and Aleksander Świeszewski. Also, worth noting, are works by Wojciech Kossak, Józef Mehoffer and Włodzimierz Tetmajer. We invite you to browse through the auction offer and encourage you to place bids.
