Description

Artbidy Auction House is pleased to invite you to the second Christmas Gift Auction. In this year's edition, we can offer you almost a hundred unique objects, among which everyone will find something for themselves. This year, we have prepared for you luxurious Chanel and Valentino handbags, classic Polish porcelain from the New Look of the 1960s, unique precious gemstones or a wide range of painting and graphic works, both from established artists and from those who are taking their first steps on the Polish art market. We particularly recommend a selection of sculptures by Igor Mitoraj.

We warmly invite you to browse through the catalogue and to place your bids.
