Description

We are pleased to present to you our latest jewelry auction offer. This is the fifth auction of the spring season at Artbidy and the first jewelry auction this year at our auction house. We have gathered 50 carefully selected objects in the catalogue, among which you will find rings, bracelets, earrings or pendants and brooches.

We would especially like to draw your attention to our extensive range of rings - you will find rings made of gold and platinum with stones such as diamonds, rubies or sapphires. We invite you to browse through our catalogue and to place your bids.
