Description

We are pleased to present you with our first design auction at the Artbidy auction house. This is the sixth auction of the spring season and the last one closing our auction projects. We have collected almost 30 objects for you in the catalogue, among which you will find Ćmielów services and decorative platters in the new look style.

We would particularly like to draw your attention to the figurine 'Hedgehog' designed by Hanna Orthwein and the 'Laying Cat' designed by Mieczysław Naruszewicz. Furthermore, we warmly invite you to take a look at our catalogue and to place your bids.
