Description

The Spring Art Auction showcases Polish post-war and contemporary art, combining renowned names with artists actively shaping the visual language of the present.

The core of the auction is a monumental composition by **Edward Dwurnik** and a portrait by **Jerzy Nowosielski**. The catalog highlights works by contemporary surrealists **Tomasz Sętowski** and **Rafał Olbiński**. Works by **Stanisław Fijałkowski** and **Kamila Kowalik** complement the collection.

The works on paper segment is represented by **Zdzisław Beksiński** and **Andrzej Strumiłło**. A sculpture by **Igor Mitoraj** rounds out the offering.

All items can be viewed in our gallery in Warsaw by appointment.
