Description

The auction Magic Art - Other Worlds is the second auction of the spring season at our auction house and the first auction entirely dedicated to magical art. We are pleased to present you 51 exceptional works, including paintings and sculptures. Among the names of the artists gathered at the auction, you will find such personalities as Tomasz Sętowski, Rafał Olbiński, Anastasia Markowicz, Jakub Różalski and Karol Bak. This auction offer is perfect for both experienced collectors and enthusiasts taking their first steps. We invite you to familiarise yourself with the catalogue and to place bids.
